1 Introduction

This is an introduction to my first LyX document.

2 About this document

Sections and subsections are describe below.

2.1 Section Description

Sections are bigger than subsections.

2.2 Subsection descriptions

Subsections are smaller than sections.

3 More stuff

LyX is better than other word processors because:

1. Typesetting is done for you.

2. Math is WYSIWYG

3. Lists are very easy to create!

4. a!
